

VIEW OF THE ROTUNDA AT HILTON, HUGHES & CO.'S!

THE LARGEST CHRISTMAS TREE EVER SHOWN.

A Monster Bell, a Giant Star. Begemmed With More Than a Thousand Electric Lights.

The whole Arcade changed to a bower of Christmas green--masses of fir and spruce and pine, festoons of laurel, bits of color. Brilliant, beautiful, unique. Grown-up people are bewitched by the dazzling sight as well as are the children. No one tires of looking. Let everybody come--particularly the little folks--the marvels of Toy Land are close by.
